

Stage Pop Up Assembly

Visit SVGCOOP.com/Training for Assembly Video

What you will need:

- 1 Sheet of 12x12 Cardstock for base
- Up to 2 Sheets of Pattern Paper
- Glue, Cutting Machine(ex: Cricut/Silhouette) and way to score lines

- Light Pink - Base pieces (Cut from cardstock or a thicker pattern paper.
- Dark Pink - 2 pieces are for decoration - 2 pieces are for advanced version (will share later)
- Green - Decorative pieces for the outside of the stage
- Black - used to create slots for your decorations - see video instructions at SVGCOOP.com

Sample of what you can do.

You will cut the same number of stands as you do for your slots and an additional one for anything you want to put in the middle. See video at SVGCOOP.com to see how to use the slots.

You will have to set score lines or score pieces yourself - watch video for how to do that.

Video can be seen on our YouTube channel: <https://youtu.be/mh5EJWTqkI>
